**Bases for Petitioner's request, continued:**

- **Petitioner (Keri O'Connor) also requests that she be authorized to sign the SNT as grantor;** the SNT is intended to be a grantor trust under the Internal Revenue Code (§ 671 et seq.), and the Beneficiary is intended to be treated as owner of the Trust for income tax purposes and to be subject to tax on income received by the Trust;
- **The proposed SNT is to be established pursuant to 42 USC § 1396p(d)(4)(A),** and Aidan meets the federal eligibility requirements in that he is under age 65 years, his Autistic Disorder is of such severity that he cannot engage in any kind of substantial gainful activity, and the proposed SNT provides that on Aidan's death or termination of the trust, Medi-Cal will receive reimbursement for all medical assistance provided to him;
- **The proposed SNT also meets the California Probate Code requirements pursuant to § 3604(b),** providing that the Court must make the following 3 findings before establishing the SNT:
  1. **The minor or person with a disability has a disability that substantially impairs the individual's ability to provide for the individual's own care or custody and constitutes a substantial handicap:** Aidan has a disability that has profoundly impaired his ability to function normally on a daily basis (*please refer to Exhibit A for recent copy of Medical Report of Howard Glidden, Ph.D.*);
  2. **The minor or person with a disability is likely to have special needs that will not be met without the trust:** Without the trust in place, Aidan's special needs, which include intensive therapeutic and professional services, will not be met; Aidan will also require continuous assistance and planning help, including specialized schooling and vocational training beyond those provided by Meci-Cal, if he is to achieve maximum independence and functioning; such services would be characterized as special needs that Medi-Cal either would not pay for or for which only limited Medi-Cal services would be available;
  3. **Money to be paid to the trust does not exceed the amount that appears reasonable necessary to meet the special needs of the minor or personal with a disability:** In view of Aidan's serious disability and lack of other resources to pay for specialized care, the funds that will form the corpus of the trust appear reasonable necessary for Aidan's special needs; the cost of Aidan's future care is greater than the amount of assets being funded to the SNT; after these initial expenditures, Aidan's ongoing needs for attendant care, additional medical services, and other unmet needs during the course of his life will be in excess of the amount being used to fund the SNT.
- **The proposed SNT complies with CA Rule of Court 7.903(c) as follows:**
  1. The trust does not contain a "no-contest" provision;
  2. The trust prohibits modification or revocation without court approval;
  3. The trust clearly identifies the trustee and any other person with authority to direct the trustee to make disbursements;
  4. The trustee's investment powers are requested by Petitioner to be expanded by the Court, for good cause, beyond Probate Code § 2574 (regarding investment powers available to guardians and conservators without court order) such that the Trustee's investment powers include authority to invest trust assets in mutual funds and US Government bonds with maturity dates later than (5) years;
  5. The trust requires the persons identified in #3 to post bond in the amount required under Probate Code § 2320 – 2335;
  6. The trust requires the Trustee to file accounts and reports for Court approval in the manner and frequency required by Probate Code §§ 1060 – 1064 and 2620 and 2628;
  7. The trust requires court approval of changes in trustees and a court order appointing any successor trustee;
  8. The trust requires that compensation of the trustee, the members of any advisory committee, or the attorney for the trustee to be in just and reasonable amounts that must be fixed and allowed by the court;

~Please see additional page~

**Bases for Petitioner's request, continued:**

- **The proposed SNT meets all requirements of Local Rule 7.19 as follows:**
  1. A copy of the proposed trust instrument is attached to the petition to establish the trust;
  2. The trust complies with CA Rule of Court 7.903 (*see above*);
  3. The trust must require court confirmation of sales of trust real property.
  4. Petitioner requests the Court enter an order that the trust shall be subject to the Court's continuing jurisdiction and shall be subject to periodic accounts as are required in guardianship and conservatorship matters;
  5. The trust prohibits payment of fees to attorneys, trustees, or others without prior court approval.
- **Investments:** Petitioner requests that pursuant to CA Rule of Court 7.903(c)(4), for good cause shown, and pursuant to Probate Code § 2574(c), the investment standard set forth in Probate Code § 2574(a) be modified so that the Trustee has the authority to purchase mutual funds and United States government bonds with maturity dates later than 5 years; investment in mutual funds permits investment across several asset classes, subclasses and sectors, while avoiding high transactions costs; because they are highly diversified, mutual funds are inherently less risky than individual securities listed on an established stock or bond exchange, which is a permissible investment allowed by the code without court authorization; the ability to invest in mutual funds will permit the SNT to hold individual securities across several asset classes, while at the same time providing the flexibility to cost-effectively change its investment position in response to shifts in the market; a portfolio that includes US Government bonds with maturity dates later than 5 years will provide better diversification and is expected to receive higher total returns along with the minimal risk associated with such funds.
- **Bond:** Petitioner requests bond be fixed at **\$276,110.69** calculated as follows: From the **\$1,300,000.00** settlement, an annuity will be purchased for **\$1,100,000.00**, which will pay **\$3,750.81** per month (**\$45,009.72** annually), payable on a level basis for the Beneficiary's lifetime with a minimum of 30 years guaranteed; the remaining **\$200,000.00** will be deposited into a special needs trust account that will an estimated 3% annual return or **\$6,000.00**; the value of the trust corpus (**\$6,000.00**) plus the probable gross annual income from the annuity (**\$45,009.72**) equals **\$251,009.72**, and after adding the estimated cost of recovery (\$25,100.97), the total bond required is **\$276,110.69**;
- **Trustee Fees:** Petitioner requests the initial Trustee be authorized to receive payments of fees each month at the rate of **\$150.00** per hour for services rendered in connection with the administration of the SNT, but not to exceed **\$1,000.00** in any given month, and any excess fees incurred over that amount would require Court approval; (*please refer to Declaration of Bruce D. Bickel in Support of Trustee's Fees filed 12/14/2011, indicating his rate of \$150.00 per hour, with fees not to exceed \$1,000.00 per month; he estimates 4 to 8 hours per month will be required, and any amount exceeding \$1,000.00 will require Court approval; services and activities required to administer the SNT are listed*);
- **Attorney Fees:** Petitioner requests the Court approve a flat legal fee in the amount of **\$4,500.00** for providing the services to the Petitioner for establishment of the SNT such as counseling the client, preparing the trust and this petition, and other related services; and requests reimbursement of costs advanced of **\$395.00** for filing fees; Petitioner believes such fees and costs are reasonable and customary in this community and requests the Court approve payment to the attorney for such amounts;
- **Petitioner anticipates the Department of Health Care Services will not assert a lien in this case;** in the event the Department of Health does assert a lien, before payment of any funds to the SNT, all statutory liens in favor of DOH, the Department of Mental Health, the Department of Developmental Services and any county or city and county in this State will first be satisfied;

*~Please see additional page~*

**Bases for Petitioner's request, continued:**

- Petitioner states that in the event of Aidan's death, and after satisfaction of any government claims, the proposed SNT provides that any remaining trust assets would pass to Aidan's legal heirs.

**Petitioner prays for an Order as follows:**

1. That the Court establish the **AIDAN O'CONNOR SPECIAL NEEDS TRUST**, that the Petitioner is directed to execute it [as Grantor], and the Court has continuing jurisdiction over the SNT;
2. That **BRUCE D. BICKEL** shall serve as the initial Trustee of the SNT with bond fixed at **\$276,110.69**;
3. That Aidan has a disability that substantially impairs his ability to provide for his own care or custody, and constitutes a substantial handicap;
4. That Aidan is likely to have special needs that will not be met without the SNT;
5. That money to be paid to the SNT does not exceed the amount that appears reasonably necessary to meet Aidan's special needs;
6. That payment of all monies due plaintiff in the Litigation Action shall be paid to the Trustee of the SNT after payment of any personal injury Medi-Cal lien;
7. That any proceeds of the settlement award received by Plaintiff's attorney before the hearing of this petition and deposited in the attorney's client trust account shall not be considered received by Aidan for public benefit eligibility purposes;
8. That the assets of the SNT estate are unavailable to Aidan and shall not constitute a resource to Aidan for Aidan's financial eligibility for Medi-Cal, SSI, regional center assistance, or any other program for public benefits;
9. That the Trustee provide the Court with a biennial account and report of the SNT, beginning with the period 1 year after the Court approves the establishment of the trust and every 2 years thereafter;
10. That the Trustee is authorized to receive payments for fees each month at the rate of **\$150.00** per hour for services rendered in connection with the administration of the Trust, but not exceed **\$1,000.00** in any given month; and that reimbursement for any fees in excess of **\$1,000.00** in any given month requires prior approval of the Court; and
11. That the Court approve and direct the payment of **\$4,500.00** to the law firm of Dowling, Aaron & Keeler and reimbursement for costs advanced in the amount of **\$395.00** for legal services in connection with this *Petition*.
